It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until Summer 2021:	Areas for further improvement and baseline evidence of need:
<p>Many of the planned actions and developments for the academic year 2020-2021 have not been achieved or undertaken due to the continued responses to the COVID 19 epidemic, the periods of lockdown and the organisational measures put into place to meet the whole school Risk Assessments. Because of this many of the planned actions have been carried over into 2021-2022</p> <p>Achievements were made however, the most notable being:</p> <ul style="list-style-type: none"> - Designated individual class sets of PE resources for daily use during outdoor PE Challenge and Games sessions - Skipping ropes purchased for every child. Skipping was a key focus during the first term - Introduction of the Daily Mile and the celebration of progress within this during Star Assemblies in both Key Stages - Weekly Sports Challenges, provided by Kings Heath Sports Partnership and the PE Hub, were implemented and accessible for any and all home learners via the Padlets 	<p>We will need to continue with the program begun last year</p> <ul style="list-style-type: none"> • Key Indicator 1 <ul style="list-style-type: none"> o Embed use of playground markings, introducing the Daily Mile initiative o Continuing to embed Play Leader and Skills Challenge Sports Ambassador initiatives o Ensure all children are offered the opportunity to participate in an extracurricular sporting activity • Key Indicator 2 <ul style="list-style-type: none"> o Embed celebration of sporting achievements, both in and out of school, in Star Assemblies o Continue to employ and upskill 1x Play Leader and 1X LTS to deliver lunchtime play within MUGA o Extend range and availability of outdoor extracurricular sports clubs o Additional swimming in Y6 to meet end of KS requirements • Key Indicator 3 <ul style="list-style-type: none"> o Continue staff CPD and upskilling, in particular through membership of Kings Heath Sports Partnership and subscription to PE Hub • Key Indicator 4 <ul style="list-style-type: none"> o Embed intra school House Sporting competitions – review PE and Games curriculum o Increase opportunities for inter school competition participation for all children.

Meeting national curriculum requirements for swimming and water safety.

<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	<p>No swimming due to Covid restrictions</p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	<p>See above</p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>See above</p>
<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	<p>See above</p>
